Public Notice
Availability of Draft Business Impact Analysis for Comment
OAC Chapter 3745-102, "General Conformity"

Please note that in accordance with Ohio Revised Code (ORC) 119.032 (5-year rule review), the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has reviewed the rules contained in Ohio Administrative Code (OAC) Chapter 3745-102, "General Conformity." Our review indicates that these rules are no longer necessary and will be rescinded as of this rulemaking.

As part of the rulemaking process, Ohio EPA is required to prepare and submit a Business Impact Analysis (BIA) form to Ohio's Common Sense Initiative (CSI) Office. Ohio EPA is also making this form available at this time for public review and comment.

These rules and the BIA document are available electronically for review at: http://epa.ohio.gov/dapc/regs/regs.aspx#GeneralConformityRules102. See the information under the drafts and notices for OAC Chapter 3745-102. We request that you provide us with any comments you may have by **Monday, March 10, 2014**.

Please submit your comments or suggestions to the following addresses. Persons submitting comments electronically are encouraged to follow-up with a hard copy via regular mail:
