Hello all,

Ohio's 5-year progress report is due to U.S. EPA by March 11, 2016. We are providing you a draft for a 30-day comment period. Please provide us with any feedback by January 13, 2016. If you need additional time please let me know. We will also be public noticing this for public comment in the near future and holding a public hearing. I'll contact you again when we initiate that process.

You can find the document here: <http://www.epa.ohio.gov/dapc/SIP/haze.aspx>

Thank you, Jennifer
