

Public Hearing Notice
Ohio Environmental Protection Agency
Proposed amendment of
OAC Chapter 3745-72, “Low Reid Vapor Pressure Fuel Requirements”

Notice is hereby given that in accordance with Ohio Revised Code (ORC) 119.032 (5-year rule review), the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has reviewed the rules contained in Ohio Administrative Code (OAC) chapter 3745-72. These rules are related to Low Reid Vapor Pressure Fuel Requirements (i.e., Low RVP gasoline). Our preliminary review indicates that these rules continue to be necessary and that amendment of some of the rules in this chapter is necessary.

Amendments are being made to rules 3745-72-01, 3745-72-02, 3745-72-03, 3745-72-04, 3745-72-05, 3745-72-06, 3745-72-07, and 3745-72-08 to bring the rules in line with federal requirements, to correct minor typographical errors, to fulfill the formatting requirements of the Legislative Services commission (LSC), and to add and update citation information on materials referenced in these rules. Specific information on the amendments to these rules can be found in the rule synopsis document, available electronically at the URL listed at the end of this notice.

Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rules before the division formally proposes them. On February 3, 2015, these rules went out for a 30 day review by interested parties. Ohio EPA received two (2) comments on the draft rule language.

Pursuant to Section 119.03 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on **Monday, October 5, 2015 at 10:30 AM** at Ohio EPA Central office, 50 West Town Street, Suite 700, Columbus, Ohio 43215. All visitors to Ohio EPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitors are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.

Pursuant to Part D of Title I of the Clean Air Act, Ohio EPA is required to establish a state implementation plan (SIP) for the attainment and maintenance of the National Ambient Air Quality Standards (NAAQS). The above-mentioned rules are a part of Ohio's SIP and the proposed amendments will be submitted to USEPA as a modification of the SIP. The above-mentioned hearing shall be considered the public hearing for the SIP submittal.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on October 5, 2015 will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after October 5, 2015 may be considered as time and circumstances permit, but will not be part of the official record of the hearing.

These rules are available on DAPC Regulations Web page for electronic downloading. See the information under the "Proposed Rules" tab at: <http://epa.ohio.gov/dapc/DAPCrules.aspx>. Questions regarding accessing the web site should be directed to Arunee Niamlarb at 614-728-1342; other questions or comments about these rules should be directed to Alan Harness at Ohio EPA, (614) 644-4838, alan.hararness@epa.state.oh.us or mailed to Alan Harness, Ohio EPA, Division Air Pollution Control, Lazarus Government Center, P.O. Box 1049, Columbus, Ohio 43216-1049.
