RE: 2012 SLAMS Data Certification

Dear Mr. Czerniak:

Please find enclosed our SLAMS Report (AMP-450, AMP-450NC and AMP-255) for calendar year 2012 as required in 40 CFR, Part 58, Section 58.15. The ambient concentration and the quality assurance data have been completely submitted to the AQS database.

I certify that the data in the report are accurate to the best of our knowledge taking into consideration the quality assurance findings and only to the extent of the activities performed by Ohio EPA.

There were no incidents of air pollution that reached or exceeded levels as specified by Section 51.151 which could cause significant harm to the health of persons.

Sincerely,

A handwritten signature in cursive script that reads 'Robert Hodanbosi'.

Robert Hodanbosi
Chief, Division of Air Pollution Control

Enclosure
