TRAINING ANNOUNCEMENT FOR OPERATORS OF LARGE PUBLIC WATER SYSTEMS

The Ohio EPA Northwest District Office cordially invites you to join us for a free Informational Session discussing the upcoming changes to the rule for bacteria sampling. The Revised Total Coliform Rule (RTCR), which will be effective April 1, 2016, has significant changes that will affect all public water systems.

Date: February 11, 2016
Time: 9:00am – 10:30am
Location: Maumee Police Department
109 E. Dudley
Maumee, OH 43537
Note: The training will be held in the large conference room on the second floor.

Who Should Attend?

Operators of Record of large public water systems.

Is Registration Required?

Yes. Please register with Ohio EPA by contacting Laura Sullivan at (419) 373-3151 or Laura.Sullivan@epa.ohio.gov.

About the Informational Session

The sessions will feature a speaker from Ohio EPA's Northwest District Office, Division of Drinking and Ground Waters, who will discuss how the RTCR applies to large public water systems. After the session, Ohio EPA staff will be available to answer your questions and offer individual assistance.
