

**BEFORE THE
OHIO ENVIRONMENTAL PROTECTION AGENCY**

February 13, 2015

**Public Notice: Final Rulemaking on Primary Drinking Water
Standards and Plan Approval Rule Amendments.**

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Drinking and Ground Waters (DDAGW) adopted revisions to rule 3745-91-03 and Chapter 3745-81 in the Ohio Administrative Code (OAC) establishing plan approval and primary drinking water standards for the state of Ohio. These rules have been reviewed pursuant to the five year rule review requirements of Section 106.03 of the Revised Code.

Revisions to these rules are mostly minor. OAC rules 3745-81-22 and 3745-81-78 are proposed to be rescinded because the Stage 1 Disinfectant and Disinfection Byproduct (D/DBP) requirements have been replaced with Stage 2 D/DBP requirements, which are contained in other rules. Revisions to rules 3745-81-15 and 3745-81-24 include updating a reference and removing outdated language. Draft amendments to rules 3745-81-26, 3745-81-33, 3745-81-81, 3745-81-87 and 3745-91-03 will clarify requirements.

The Director of Environmental Protection, after considering public comment, adopted these rules in final form, pursuant to Section 6109.04 of the Ohio Revised Code. The Director's order of adoption was issued on February 13, 2015. The effective date of the amended rules will be February 23, 2015 in accordance with Section 119.04(A) of the Revised Code.

A copy of the rules may be obtained, at cost, by contacting the Hearing Clerk, Ohio EPA, 50 West Town Street, Suite 700, P.O. Box 1049, Columbus, Ohio 43216-1049, or (614) 644-2129. These rules are also available electronically at the following internet address: <http://epa.ohio.gov/ddagw/rules.aspx>.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00, made payable to "Ohio Treasurer Josh Mandel," which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:
