List of Section 208 Plan Updates - 2015

The five regional/areawide planning agencies listed below in have prepared and adopted, pursuant to their bylaws, the Section 208 plan updates described below. Ohio EPA has approved a minor adjustment in the Columbus Regional Facility Planning Area (FPA) and prepared an update to the Licking County section of the State’s Section 208 plan. Ohio EPA is charged with reviewing these materials to ensure the following:

- The documents are consistent with basin plans;
- The documents (original plan and updates) cover the required planning elements; and
- The documents (plans) are consistent with one another.

Ohio EPA is accepting public comments on these plan updates through December 22, 2015.
