

# Storm Water Solutions for Existing Urban Areas

---

## Retrofitting in Northeast Ohio

Ohio EPA supported NPDES training opportunity

Date/Location: *Thursday, September 8, 2011 ; Peace Office Training Academy,  
4055 Highlander Parkway, Richfield , Ohio 44286*

*8:00 a.m. to 4:30 p.m.*

Presented in cooperation with Summit Soil & Water Conservation District and The Northeast Ohio Storm Water Training Council

Financial support for this training is provided by a grant from the Ohio Environmental Education Fund ( OEEF )

Advance registration required –space is limited. Contact Summit SWCD at 330-929-2871 or email [staff@summitswcd.org](mailto:staff@summitswcd.org) to reserve your spot.

### Topics Covered:

*Classroom overview of retrofitting and the associated water quality and storm water benefits ( 8:30-9:30 ), followed by field tours of innovative projects in Summit and Cuyahoga Counties ( 9:45-4:30 )*

### Who Should Attend?

- Planners, Developers, Community Leaders, Consulting Engineers

### What you will learn

- Rationale for doing urban retrofits; Innovative ways to retrofit developed areas for the maximum storm water management and water quality benefits. Air conditioned buses will transport participants to unique sites in both Summit and Cuyahoga Counties.

*This tour will be held rain or shine. Participants should dress for outside conditions as the tour will involve some walking and standing outdoors. Lunch will be on your own at one of the stops or bring your own.*

Certificates will be provided upon tour completion.
