3:30 p.m.

APPEARANCES:

Mary McCarron, Ohio EPA Public Interest Center

RECEIVED  
OCT 26 2012  
PIC

## 1 PROCEEDINGS

2 MS. McCARRON: My name is Mary  
3 McCarron. I am the public involvement manager  
4 for Ohio Environmental Protection Agency's  
5 Public Interest Center. I will be presiding  
6 over today's hearing.

7 The purpose of the hearing today is to  
8 obtain comments from any interested person  
9 regarding Ohio EPA's proposed action.

10 The State of Ohio is requesting that  
11 U.S. EPA revise the current maintenance plan  
12 for the Cleveland, Akron, Lorain area,  
13 including Ashtabula, Cuyahoga, Geauga, Lake  
14 Lorain, Medina, Portage and Summit Counties,  
15 with respect to the 1997 eight-hour ozone  
16 national ambient air quality standard.

17 Ohio EPA is now requesting a revision  
18 to the maintenance plan to update mobile  
19 emission projections and conformity budgets  
20 based on emission rates generated from U.S.  
21 EPA's latest mobile emissions model, the Motor  
22 Vehicle Emission Simulation 2010. In December  
23 2009, MOVES replaced MOBILE6.2 as the U.S.  
24 EPA's official emission factor model.

25 All interested persons are entitled to

1 attend or be represented, and to present oral  
2 and/or written comments concerning the  
3 proposed action. All written and oral  
4 comments received as part of the official  
5 record will be considered by the director of  
6 Ohio EPA.

7 To be included in the official record,  
8 written comments must be received by Ohio EPA  
9 by close of business, today, October 23, 2012.

10 No one is present at this time. We  
11 will go off the record until 4:00.

12 (Recess taken.)

13 MS. McCARRON: The time is now 4:00  
14 and this hearing is adjourned.

15 (Hearing concluded at 4:00 p.m.)
