OHIO ENVIRONMENTAL PROTECTION AGENCY

OHIO E.P.A.
DEC 28 2007
ENTERED DIRECTOR'S JOURNAL

In the Matter of:

Bearcreek Farms, Inc. : Director's Final Findings
1550 Soldiers Home-West Carrollton Road : and Orders
Dayton, Ohio 45418 :

I. JURISDICTION

These Director's Final Findings and Orders ("Orders") are issued to Bearcreek Farms, Inc. ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") §§ 3704.03 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in ownership of the Respondent shall in any way alter Respondent's obligations under these Orders.

III. DEFINITIONS

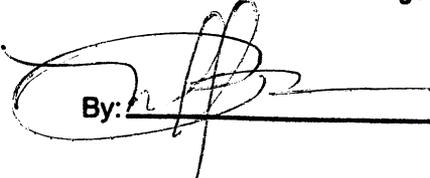

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3704 and the rules promulgated thereunder.

IV. FINDINGS

The Director of Ohio EPA has determined the following findings:

1. Respondent is incorporated with the State of Ohio with an office located at 1550 Soldiers Home-West Carrollton Road, Dayton, Ohio. Respondent was formed for the purpose of, but not limited to, the sale of cattle and land.
2. Ohio Administrative Code ("OAC") Rule 3745-19-04(A) prohibits any person or property owner from open burning in an unrestricted area except as provided in OAC Rule 3745-19-04(B) to (C) and in ORC § 3704.11.
3. On September 16, 2006, the Jefferson Township Fire Department ("JTFD") responded to and extinguished a large debris fire, including tires and carpet, at a property owned and farmed by Respondent and located at 7750 Dayton Farmersville Road, Jefferson Township, Montgomery County, Ohio. This property is located in an "unrestricted area," as defined in OAC Rule 3745-19-01(K).

I certify this to be a true and accurate copy of the original documents as filed in the records of the Environmental Protection Agency.

By:  Date: 12/28/07

4. On September 20, 2006, the Regional Air Pollution Control Agency ("RAPCA"), Ohio EPA's contractual representative in Montgomery County, inspected Respondent's property in conjunction with JTFD. RAPCA observed a large burn site, approximately 40 feet by 20 feet, containing the remnants of the open burning of heavy equipment tires, carpet, and other debris. The open burning of this commercial waste was in violation of OAC Rule 3745-19-04(A).

5. On October 5, 2006, RAPCA sent a Notice of Violation ("NOV") to Respondent for the violation of Ohio Administrative Code ("OAC") Rule 3745-19-04(A).

6. On November 9, 2006, RAPCA received Respondent's response to the NOV. Respondent's President indicated that the debris pile that was burned on September 16, 2006 came from cleaning up the fence lines on properties he had acquired. He indicated that the materials that could not be burned would be put in a roll-off container to be properly disposed of.

7. On November 14, 2006 RAPCA issued proposed Findings and Orders ("F&Os") to Respondent that included a proposed penalty of \$1,000 for the open burning violation described above. In the response received by RAPCA on January 23, 2007 and after a series of communications between Respondent and RAPCA, Respondent made a counteroffer of \$500 to the proposed \$1,000 penalty.

8. On February 2, 2007, RAPCA issued final F&Os to Respondent that included a reduced civil penalty in the amount of \$750. Through numerous letters and phone messages, including a follow-up letter on May 29, 2007, Respondent was informed that the case would be referred to Ohio EPA if Respondent did not comply with the Orders within the specified time frame. Respondent never paid the civil penalty.

9. The OAC violation cited in the above findings also constitutes a violation of ORC § 3704.05(G), which states, in part, that no person shall violate any order, rule or determination of the Director, issued, adopted, or made under ORC Chapter 3704. OAC Chapter 3745-19 was adopted by the Director pursuant to ORC Chapter 3704.

10. Through unilateral orders, the Director may assess a violator not more than one thousand dollars (\$1,000) per day for each separate violation of the rules of OAC Chapter 3745-19 for open burning on commercial property as specified in OAC Rule 3745-19-06. A separate penalty is assessed for each day the violation occurs. If the violator fails to comply with the Orders, the Director has the authority, under ORC § 3704.06, to request the Attorney General to initiate legal action to seek penalties of up to twenty-five thousand dollars (\$25,000) for each day of each violation.

11. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying

with the following Orders and their relation to benefits to the people of the State be derived from such compliance.

V. ORDERS

The Director hereby issues the following Orders:

VI. TERMINATION

Respondent's obligations under these Orders shall terminate when Respondent certifies in writing and demonstrates to the satisfaction of Ohio EPA that Respondent has performed all obligations under these Orders and the Chief of Ohio EPA's Division of Air Pollution Control acknowledges, in writing, the termination of these Orders. If Ohio EPA does not agree that all obligations have been performed, then Ohio EPA will notify Respondent of the obligations that have not been performed, in which case Respondent shall have an opportunity to address any such deficiencies and seek termination as described above.
