

Preferred Caterers to Feed the Hungry

You are welcome to select one of the preferred caterers, below, to provide lunch service to your meeting room. Feel free to partner with another caterer of your choosing, as long as they are licensed and insured. We do not permit home cooked meals from non-licensed caterers.

Please contact the caterer directly and arrange for delivery and payment.

“All of our preferred caterers are very easy to work with and have catered many functions at our hotel...it is a piece of cake!”
