-------------------------	--------------------------	----------------	--	--------------------	--

History of use:	The property had previously been used for industrial purposes since the mid-1950s. During operation, Corning manufactured a variety of glass products. Corning Glass and Cedar Point Auto Supply occupied the property from 1958 to 1963, and the property was occupied solely by Corning until 2002. Industrial operations at the property have ceased, and it is currently owned by Corgix.		
Chemicals of Concern:	TPH and arsenic	Applicable Standards:	For commercial/industrial land uses and unrestricted ground water uses.
Urban Setting Designation?	N/A	Institutional Control(s)/Environmental Covenant:	An Environmental Covenant restricts land use to commercial/industrial use only.
Remedial Activities:	Impacted soils and construction and demolition material were excavated and disposed of off-property. Also, excavations were brought up to existing grade with imported crushed gravel and capped with a concrete slab in the basement area.	Engineering Control(s):	N/A
Operation and Maintenance Agreement?	N/A	Risk Mitigation Plan?	N/A
Proposed Land Use:	Corgix intends to lease the building and land to interested commercial businesses.
