History of use:	The property had previously been used as a manufacturing facility for fiber-glass bodies of go-carts. Prior to its construction in 1970, the site was undeveloped and agricultural. In 1975, F&W Associates purchased the fiber-glass operations from Rupp and started manufacturing fiber-glass bath tubs at the site. In 1979, Artesian Industries acquired the facility and continued the fiber-glass operations until Crane Plumbing acquired the site in 1992 to manufacture bathroom fittings.
