With this letter, Ohio EPA acknowledges the above referenced Class 1 modification submitted pursuant to OAC Rule 3745-50-51, and accordingly has updated the facility's Part B permit application and permit.

The following modifications were assigned the permit information tracking system (PITS) ID number of OHD045243706-100204-1-1;

- Revise Page G-13 (Table G-3) to update the Fire Brigade response personnel.

Enclosed is a copy of the revised permit application pages. This has been included to ensure that all involved parties have written confirmation of the changes. If you have any questions concerning this action, please contact Chris Maslo at the Ohio EPA, Northwest District Office, at (419)698-3130.

Sincerely,
