Ohio EPA Drafts Infectious Waste Rules

The Division of Solid and Infectious Waste Management (DSIWM) is in the process of conducting a review of the rules governing the infectious waste. This review is being conducted to satisfy requirements mandated by Ohio Revised Code (ORC) Section 119.032 which requires all state agencies to review each of their rules every five years to determine whether or not to continue the rules without change, amend the rules, or rescind the rules. The Division of Solid & Infectious Waste Management (DSIWM) has reviewed and drafted new language for the infectious waste rules:

DSIWM is seeking input from you on these draft rules by July 1, 2005. You may view the draft rules at the link below or call (614) 644-2621 to obtain a copy. Please submit your comments to:
