Training Aids for the New Landfill Rules

During the month of May, training was conducted by Ohio EPA on the new landfill rules. To aid training efforts, this temporary site will have available the slide presentations, and in the future, frequently asked questions, checklists, and summaries.

If you have questions about how the rules affect a particular site, please contact the appropriate district office (link to DO site or county assignment?) If you have questions about the ground water monitoring rules, contact [Jeff Martin](#) or [Scott Sutliff](#). If you have questions about the rest of the rules, contact [Vlad Cica](#) or [Annette De Havilland](#).

PTI Rule Slides:

- [Operations Rule Slides](#)
