Ohio EPA Draft Multi-Program Rules

The Division of Solid and Infectious Waste Management (DSIWM) is in the process of creating Multi-Program Rules.

DSIWM is seeking input from you on these draft rules. DSIWM will respond to all comments received before Friday, September 1, 2006, and will only respond to other comments as time allows.

This comment period has been extended until November 1, 2006

Please submit your comments to:
