Re: Notice of Violation

Dear NPDES permit holder:

On July 18, 2012, a letter was sent to you requesting the completion and submittal of the *Operator of Record Notification Form* per Ohio Administrative Code (OAC) 3745-7-02(A)(2). The notification letter was sent to you due to our records showing no *Operator of Record Notification Form* on file for Certified Gas Station 410. You were requested to respond to the Ohio EPA within 21 days of July 18, 2012.

Presently, our records indicate that you have failed to respond to the Notification Letter and submit the *Operator of Record (ORC) Notification Form* to the Ohio EPA Division of Surface Water. This correspondence is to inform you that failure to respond is a violation of the Operator Certification Rule for your NPDES permitted facility 3PR00302. Please submit a completed *ORC Notification Form* to: Daniel A. Kopec, Division of Surface Water, Ohio EPA, 50 W. Town Street, Suite 700, P.O. Box 1049, Columbus, Ohio 43216.

The deadline to submit the form is 15 days from the date of this letter. The form may be sent via certified mail, faxed to (614) 644-2745, emailed to daniel.kopec@epa.state.oh.us, or sent through normal mail to the address above. To verify the ORC form has been received at the Division of Surface Water, check the following website: <http://epa.ohio.gov/dsw/opcert/opcert.aspx> or call Daniel A. Kopec at (614) 644-1987.

If the ORC does not appear on this website, it means that the Division of Surface Water has not received it and all necessary steps should be taken to get the ORC form submitted. Failure to submit the ORC form within the designated timeframe will result in enforcement action taken against you which includes a monetary fine.

If you have any questions, please contact me at (614) 644-1987, fax (614) 644-2745, or via email.

Sincerely,

Daniel A. Kopec
