

Appendix 4

Part 1

A listing of historical Section 208 and Water Quality Management Plan (WQMP) materials reviewed by Ohio EPA as part of the Central Scioto Plan Update and the action taken relative to these materials through this latest plan update .

Document Name	Source	Date	Action to be taken through this plan update
Initial Water Quality Management Plan - Scioto River Basin	Ohio EPA	1979	The content of the CSPU shall apply in lieu of the pertinent information contained in the Initial WQMP; retain the document for application in other portions of the basin
Comprehensive Water Quality Report for Central Scioto River (Columbus-Jackson Pike)	Ohio EPA	1986	Retain the document; provides TMDL information
Comprehensive Water Quality Report for Walnut Creek	Ohio EPA	1987	Retain the document; provides TMDL information
Biological and Water Quality Survey of the Olentangy River, Delaware and Franklin Counties, Ohio	Ohio EPA	1990	Remove as an element of the WQMP *
Urban Stormwater Analysis for Franklin County		1984	Remove as an element of the WQMP ¹
Big Darby Creek Nonpoint Source Implementation Project	Franklin County (and others)	1990	Remove as an element of the WQMP ²
Designated Water Quality Management Agencies	Ohio EPA	1985 1993	See Part 2 of this Appendix

* Water quality assessment data is outdated but should be consulted for trend analysis.

¹ This was a report on a water quality model development project. The PEMS data system upon which it was based is not longer in use.

² This was a report prepared in fulfillment of a 319 grant.

Part 2

A listing of designated water quality management agencies (DMAs) in the Columbus metropolitan area from past WQM Plans and the action taken as part of the Central Scioto Plan Update (CSPU). Additional DMAs have been identified (see Sections 5 and 6 of the CSPU).

Designated Management Agencies, 1993 Plan	Action to be taken through this plan update
City of Columbus	retained; see CSPU Section 5
Village of Canal Winchester	retained; see CSPU Section 5
Village of Lithopolis	removed; part of Canal Winchester system
Village of Carroll	retained; see CSPU Section 5
City of Westerville	removed; sewage plant abandoned, now part of Columbus system
Village of Groveport	removed; sewage plant abandoned, now part of Columbus system
Delaware County	no DMA role in the Columbus FPA; retained as DMA for other portions of county
Fairfield County	retained; see CSPU Section 5 for specifics relative to Columbus FPA
Licking County	no DMA role in the Columbus FPA; retained as DMA for other portions of county
