List of Section 208 Plan Materials for Certification - Final 2006

The regional or areawide planning agency listed below has prepared and adopted, pursuant to their bylaws, the Section 208 plan updates described below. Ohio EPA is charged with reviewing these materials to ensure the following:

- ▶ the documents are consistent with basin plans;
- ▶ the documents (original plan and updates) cover the required planning elements; and
- ▶ the documents (plans) are consistent with one another.

Ohio EPA staff concluded the above criteria are satisfied. The following documents have been certified by the State of Ohio as an update to the Areawide Waste Treatment Management Plans prepared pursuant to Section 208 of the Clean Water Act and the State's Water Quality Management Plan maintained pursuant to Section 303 of the Clean Water Act.

**RESOLUTION  
OF THE BOARD OF TRUSTEES OF THE  
OHIO-KENTUCKY-INDIANA REGIONAL COUNCIL OF GOVERNMENTS (OKI)  
CONCERNING AMENDMENT NO. 30 TO  
OKI'S REGIONAL WATER QUALITY MANAGEMENT (WQM) PLAN**

**WHEREAS**, the governors of Ohio, Kentucky, and Indiana have designated OKI as the agency to carry out the planning requirements of Section 208 of the Federal Water Pollution Control Act Amendments of 1972 for Butler, Clermont, Hamilton, and Warren Counties in Ohio; Boone, Campbell, and Kenton Counties in Kentucky; and Dearborn and Ohio Counties in Indiana, and

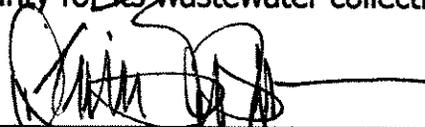

**WHEREAS**, OKI has prepared a regional water quality management plan in accordance with applicable law, and

**WHEREAS**, OKI's Executive Committee adopted OKI's regional WQM Plan at its public meeting of February 23, 1978, and

**WHEREAS**, it is recognized that the regional WQM plan represents a dynamic planning process which needs to be amended from time to time to accommodate and to reflect the ever changing circumstances resulting from urban activities and stemming from local, state, and federal policies and/or directives, now

**NOW, THEREFORE BE IT RESOLVED**, that OKI's Board of Trustees at its regular public meeting of November 10, 2005, amends OKI's WQM Plan to permit:

1. Updating facility planning area boundaries in northern Warren County, as shown on the associated map, thereby enabling water quality to be protected and maintained through the provision of timely wastewater treatment; and
2. Updating certain wastewater management agency designations as follows:
  - for the Franklin FPA, the Franklin Regional Wastewater Treatment Corporation for wastewater treatment and the City of Carlisle, City of Franklin, and Warren County for their wastewater collection systems;
  - for the Springboro FPA, the City of Springboro for wastewater treatment and its wastewater collection system and Warren County for its wastewater collection system;
  - for the Western Regional FPA, Montgomery County for wastewater treatment and collection systems; and
  - for the Sugarcreek West FPA, Greene County for wastewater treatment and its wastewater collection system and Montgomery County for its wastewater collection system.
