Subject: Updates to Areawide Waste Treatment Management Plans

Dear Mr. Korleski:

This letter is in response to the submittal of updates to the designated Areawide Waste Treatment Management Plans for five Areawide Planning Agencies, which have been incorporated into the State of Ohio's Water Quality Management Plan, that were certified on September 3, 2010, by Governor Ted Strickland. A list of those certified documents is enclosed for ready reference.

Pursuant to Clean Water Act sections 208, 303(e) and 40 C.F.R. Part 130, I am approving these updates.

I want to acknowledge the effort that preparation of these updates represents and I also recognize the continued cooperative work of our staff, which I am confident will result in enhanced water quality. Please contact me, if you have any questions.

Sincerely yours,

Tinka G. Hyde
Director, Water Division
