**Pretreatment Program
Indirect Discharge Permit Program
24-Hour Notification of Violation of Daily Maximum Pretreatment Standard**

Instructions: Permittees must provide 24-hour notification to the appropriate Ohio EPA district office for any violations of a violation of a daily maximum permit limit. Notification may be provided by telephone or by e-mail. This form shall be attached to all e-mail notifications. See Part III of the permit for additional information regarding 24-hour notification requirements.
