

Class A Primary Contact Recreation Streams  
Ohio EPA, Division of Surface Water  
March 31, 2010

Table 7-16 of rule 3745-1-07 of the Administrative Code, effective March 15, 2010, contains a list of streams designated class A primary contact recreation. The table defines the class A stream segments as extending “from the most upstream identified public access point to the mouth.” The table below contains specific segment descriptions that meet that definition.

| Water body name              | Flows into         | Drainage basin           | Segment description                                                                                                  |
|------------------------------|--------------------|--------------------------|----------------------------------------------------------------------------------------------------------------------|
| Alum Creek                   | Big Walnut Creek   | Scioto                   | North Galena Road (Myers Road) north of Kilbourne (RM 42.80) to the mouth                                            |
| Ashtabula River              | Lake Erie          | Ashtabula                | East Branch/West Branch confluence (RM 27.55) to the mouth                                                           |
| Ashtabula River, East Branch | Ashtabula River    | Ashtabula                | Scribner Road (RM 1.35) to the mouth                                                                                 |
| Auglaize River               | Maumee River       | Maumee                   | Hamilton Street Bridge in Wapakoneta (RM 85.32) to the mouth                                                         |
| Big Darby Creek              | Scioto River       | Scioto                   | State Route 245 east of North Lewisburg (RM 74.30) to the mouth                                                      |
| Big Walnut Creek             | Scioto River       | Scioto                   | Ruffner Park off Harrison Street in Galena (RM 48.4) to the mouth                                                    |
| Black River                  | Lake Erie          | Black                    | East Branch/West Branch confluence (RM 15.55) to the mouth                                                           |
| Black River, East Branch     | Black River        | Black                    | State Route 162 east of Spencer (RM 38.73) to the mouth                                                              |
| Black River, West Branch     | Black River        | Black                    | Hughes Road southeast of Oberlin (RM 18.1) to the mouth                                                              |
| Blanchard River              | Auglaize River     | Maumee                   | U.S. Route 30 northwest of Forest (RM 87.31) to the mouth                                                            |
| Buck Creek                   | Mad River          | Great Miami              | Buck Creek Lake (RM 7.16) to the mouth                                                                               |
| Caesar Creek                 | Little Miami River | Little Miami             | Caesar Creek Lake dam (RM 3.0) to the mouth                                                                          |
| Captina Creek                | Ohio River         | Central Ohio tributaries | Confluence of North Fork/South Fork (RM 25.43) to the mouth                                                          |
| Captina Creek, North Fork    | Captina Creek      | Central Ohio tributaries | Belmont County Road 26 (RM 3.95) to the mouth                                                                        |
| Chagrin River                | Lake Erie          | Chagrin                  | Polo Field at Cleveland's South Chagrin Reservation off State Route 87 north of Chagrin Falls (RM 24.0) to the mouth |
| Conneaut Creek               | Lake Erie          | Ashtabula                | Middle Road (RM 22.23) to the mouth                                                                                  |
| Conotton Creek               | Tuscarawas River   | Muskingum                | State Street in Bowerston (RM 25.5) to the mouth                                                                     |
| Cuyahoga River               | Lake Erie          | Cuyahoga                 | SR 87 (RM 87.26) to the mouth                                                                                        |
| Deer Creek                   | Scioto River       | Scioto                   | Robinson Road north of Mt. Sterling (RM 44.37) to the mouth                                                          |
| Duck Creek                   | Ohio River         | Central Ohio tributaries | East Fork/West Fork confluence (RM 24.31) to the mouth                                                               |

| Water body name                  | Flows into          | Drainage basin           | Segment description                                                           |
|----------------------------------|---------------------|--------------------------|-------------------------------------------------------------------------------|
| Duck Creek, West Fork            | Duck Creek          | Central Ohio tributaries | State Route 821 near Elba (RM 6.64) to the mouth                              |
| Fourmile Creek                   | Great Miami River   | Great Miami              | Hueston Woods State Park (RM 25.0) to the mouth                               |
| Grand River                      | Lake Erie           | Grand                    | Hobart Road (RM 94.27) to the mouth                                           |
| Great Miami River                | Ohio River          | Great Miami              | Indian Lake (RM 159.7) to the mouth                                           |
| Greenville Creek                 | Stillwater River    | Great Miami              | Wagner Road in Coletown (RM 26.60) to the mouth                               |
| Hocking River                    | Ohio River          | Hocking                  | Sixth Avenue in Lancaster (RM 91.15) to the mouth                             |
| Huron River                      | Lake Erie           | Huron                    | East/West Branch confluence (RM 14.7) to the mouth                            |
| Huron River, East branch         | Huron River         | Huron                    | Brown Road south of Norwalk (RM 6.85) to the mouth                            |
| Huron River, West branch         | Huron River         | Huron                    | Terry Road east of Pontiac (RM 13.33) to the mouth                            |
| Killbuck Creek                   | Walhonding River    | Muskingum                | Middle Street (RM 66.73) in Burbank to the mouth                              |
| Kokosing River                   | Walhonding River    | Muskingum                | Riverside Park off SR 229 in Mt Vernon (RM 27.8) to the mouth                 |
| Licking River                    | Muskingum River     | Muskingum                | Confluence of north and south Forks (RM 30.1) in Newark to the mouth          |
| Licking River, South Fork        | Licking River       | Muskingum                | East Irving Wick Drive in Heath (RM 4.8) to the mouth                         |
| Licking River, North Fork        | Licking River       | Muskingum                | US 62 in Utica (RM 17.7) to the mouth                                         |
| Little Beaver Creek              | Ohio River          | Little Beaver            | Confluence of West Fork/Middle Fork (RM 15.83) to the Pennsylvania border     |
| Little Beaver Creek, Middle Fork | Little Beaver Creek | Little Beaver            | Eagleton Road in Teegarden (RM 17.49) to the mouth                            |
| Little Miami River, East Fork    | Little Miami River  | Little Miami             | State Route 131 west of Chasetown (RM 54.41) to the mouth                     |
| Little Miami River               | Ohio River          | Little Miami             | Clifton Gorge (RM 88.0) to the mouth                                          |
| Little Muskingum River           | Ohio River          | Central Ohio tributaries | Jericho Road and County Road 68 north of Rinard Mills (RM 42.90) to the mouth |
| Little Scioto River              | Scioto River        | Scioto                   | Marseilles-Galion Road north of Marion (RM 13.98) to the mouth                |
| Loramie Creek                    | Great Miami River   | Great Miami              | Hardin-Wapakoneta Road south of Ketersville (RM 30.42) to the mouth           |
| Mad River                        | Great Miami River   | Great Miami              | State Route 68 in West Liberty (RM 51.68) to the mouth                        |
| Mahoning River                   | Ohio River          | Mahoning                 | US 62/Bandy Road (RM 91.11) to the Pennsylvania border (RM 11.43)             |
| Mahoning River, West branch      | Mahoning River      | Mahoning                 | McCormick Road (RM 21.8) to the mouth                                         |

| Water body name             | Flows into       | Drainage basin             | Segment description                                                                                    |
|-----------------------------|------------------|----------------------------|--------------------------------------------------------------------------------------------------------|
| Maumee River                | Maumee Bay       | Maumee                     | Bend Road south of Bend (RM 76.22) to the mouth                                                        |
| Mohican River               | Walhonding River | Muskingum                  | Clear Fork/Black Fork confluence (RM 27.57) to the mouth                                               |
| Mohican River, Black Fork   | Mohican River    | Muskingum                  | Rome-South Road (RM 40.13) to the mouth                                                                |
| Mohican River, Clear Fork   | Mohican River    | Muskingum                  | Clear Fork Reservoir (RM 33.8) to the mouth                                                            |
| Mohican River, Lake Fork    | Mohican River    | Muskingum                  | Mohicanville dam (RM 12.04) to the mouth                                                               |
| Muskingum River             | Ohio River       | Muskingum                  | Entire length                                                                                          |
| Ohio Brush Creek            | Ohio River       | Southwest Ohio tributaries | State Route 73 south of Belfast (RM 50.59) to the mouth                                                |
| Ohio Brush Creek, West Fork | Ohio Brush Creek | Southwest Ohio tributaries | State Route 247 north of Seaman (RM 9.18) to the mouth                                                 |
| Olentangy River             | Scioto River     | Scioto                     | Snyder Road (RM 75.84) to the mouth                                                                    |
| Ottawa River                | Auglaize River   | Maumee                     | Thayer Road east of Lima (RM 49.98) to the mouth                                                       |
| Paint Creek                 | Scioto River     | Scioto                     | Eyman Park Drive in Washington Courthouse (RM 71.16) to the mouth                                      |
| Paint Creek, North Fork     | Paint Creek      | Scioto                     | State Route 62 in Madison Mills (RM 37.39) to the mouth                                                |
| Portage River               | Lake Erie        | Portage                    | River Road (RM 40.52) to the mouth                                                                     |
| Portage River, North Branch | Portage River    | Portage                    | Silverwood Road (RM 6.6) to the mouth                                                                  |
| Pymatuning Creek            | Shenango River   | Mahoning                   | State Route 7 (RM 15.88) to the Pennsylvania border (RM 1.94)                                          |
| Raccoon Creek               | Ohio River       | Southeast Ohio tributaries | Vinton Co. Rd. 1 bridge in Zaleski State Forest off S.R. 328 north of Zaleski (RM 109.51) to the mouth |
| Rocky Fork Paint Creek      | Paint Creek      | Scioto                     | Fetro Road off State Route 124 east of Hillsboro (RM 18.05) to the mouth                               |
| Rocky river, East Branch    | Rocky River      | Rocky                      | West 130 <sup>th</sup> Street in Strongsville (RM 12.7) to the mouth                                   |
| Rocky River                 | Lake Erie        | Rocky                      | East/West Branch confluence (RM 12.08) to the mouth                                                    |
| Rocky River, West Branch    | Rocky River      | Rocky                      | Grafton Road in Hardscrabble (RM 16.35) to the mouth                                                   |
| Salt Creek                  | Scioto River     | Scioto                     | CR 174 southeast of Laurelville (RM 32.28) to the mouth                                                |
| Sandusky River              | Sandusky Bay     | Maumee                     | Wyandotte County Road 124A (RM 90.27) to the mouth                                                     |
