

Ohio Environmental Protection Agency

Surface Water Enhancement, Restoration & Protection (SWERP) Clearinghouse Application Form

For assistance with completing this form, please refer to the *SWERP Clearinghouse Users Guide*. The users guide is available at: <http://www.epa.ohio.gov/dsw/swerp/index.aspx>.

I. Contact Information:

Name: _____ Organization: _____

Address: _____

Street City State Zip Code

Phone Number: () _____ Fax Number: () _____

E-mail Address for Project Contact: _____

OHIO EPA USE ONLY	Application Submission Date: _____
	Tracking Name _____ Tracking Number _____

II. Project Location Information¹:

1) Project Name: _____

2) Address: _____

Street City State Zip Code

3) County: _____

4) HUC Watershed: _____ Latitude (d/m/s): _____ Longitude (d/m/s): _____

(For the HUC Watershed and the Latitude and Longitude, please visit this web link: <http://gis.epa.ohio.gov/map.php>)

5) Location Description (such as the nearest intersection):

6) Land Ownership: _____

¹ **Note:** The latitude and longitude will be used to map the location of your project and should be as accurate as possible.

III. Project Description:

1) Project is available for (check all that may apply):

401 Mitigation/Isolated Wetland Mitigation Supplemental Environmental Project

2) Please indicate the opportunities available on your site (check all that may apply):

Restoration Creation Enhancement Preservation

3) What mechanism is acceptable to protect the project in the future?

Conservation Easement Environmental Covenant Fee Simple Transfer

Comments: _____

A – Streams resources **PROPOSED** on your site:

Stream ID	Stream Type Ephemeral Intermittent Perennial	Headwater Stream? Yes/No	Linear Feet	Water Quality Benefit Restoration Enhancement Preservation	Current Stream Designation MWH WWH CWH EWH Unknown	Riparian Width (linear feet) LDB/RDB

B – Wetland resources **PROPOSED** on your site:

Wetland ID	Restoration (Acres)	Enhancement (Acres)	Preservation (Acres)	Creation (Acres)

Buffer/Riparian Width Proposed: _____

C – Lake resources **PROPOSED** on your site:

Lake/Pond ID	Restoration (Linear Feet)	Enhancement (Linear Feet)	Preservation (Linear Feet)	Creation (Linear Feet)

Buffer/Riparian Width Proposed: _____

D – Please provide a text description of your site and the type of resources that are available. Please limit this description to 250 words or less. Look to the SWERP Clearinghouse Users Guide for any project.

E – Please indicate any special conditions that would restrict or enhance potential projects on your site or restrict any restoration, protection or enhancement project on your site.

F – Is this project in accordance with a Total Maximum Daily Load Project? Yes ___ No ___

If yes, please explain: _____

G – Is this project in accordance with an endorsed Watershed Action Plan? Yes ___ No ___

If yes, please explain: _____

H – Does this project address a source water protection plan? Yes ___ No ___

If yes, please explain: _____

I – What are the estimated funds being requested? \$ _____

J – Are there matching funds? Yes ___ No ___

K – What is the status of the project? Ready to go ___ Estimated date of readiness _____

L – Is there additional information attached to this application form? Yes ___ No ___

M – Optional Information: Attach Photographs
(A brief text description should accompany each photograph.)

Number: ___ (3 max)

Format: Print(s) Electronic (specify type _____)

N – Delisting Date: _____
