### **Ohio EPA Becoming Social**

The public can learn more about environmental issues through Ohio EPA's new Twitter account and YouTube Channel.

Agency tweets will include environmental tips, news on Agency actions, upcoming public meetings, current events and more.

The public can view Ohio EPA's Twitter page by going to [twitter.com/OhioEPA](https://twitter.com/OhioEPA). For those who have a Twitter account and want to become a follower of the Agency, use the Twitter follow buttons on Ohio EPA's homepage or log on to Twitter and follow @OhioEPA.

In addition, Ohio EPA has created a YouTube channel to post videos created by the Agency. The YouTube channel is available at [www.youtube.com/user/PIC1049](https://www.youtube.com/user/PIC1049).
