**Proposed Rulemaking Governing**  
**State Emergency Response Commission**

Notice is hereby given that the Director of Environmental Protection, under the authority of Chapter 3750 of the Ohio Revised Code and in accordance with Chapter 119 the state emergency response commission (SERC) will be proposing multiple rules of the Ohio Administrative Code Chapter 3750 to the Joint Committee on Agency Rule Review (JCARR) after a review to fulfill the requirements of ORC 106.03 (5-year review):

These rules address the administration and implementation of Ohio Revised Code Chapter 3750, Emergency Planning regulations.

The SERC have reviewed these rules in accordance with the requirements of ORC 106.03 (5-year review and find the rules necessary and some rules need amendment. Amendments were made to OAC rules 3750-1-01, 3750-10-01, 3750-20-10, 3750-20-70, 3750-20-72, 3750-20-74, 3750-25-15, 3750-30-01, 3750-30-015, 3750-30-20, 3750-30-27, and 3750-50-01 to fix simple typos, simplify incorporation by reference citation language by referencing only the most up-to-date Code of Federal Regulations and add recent federal rule language to be consistent with the federal Emergency Planning and Community Right-to-Know Act (EPCRA).

The SERC finds the remaining 47 agency rules to be necessary, but without need of change.
