Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has prepared draft rule language for Ohio’s Emergency Episode Rules and Ambient Air Quality Standards contained in Ohio Administrative Code (OAC) Chapter 3745-25. The amendments are minor and administrative in nature and deal with references to documents referenced in the rules.

Pursuant to Part D of Title I of the Clean Air Act, Ohio EPA is required to establish a state implementation plan (SIP) for the attainment and maintenance of the National Ambient Air Quality Standards (NAAQS). The above-mentioned rules are a part of Ohio’s SIP and the proposed amendments will be submitted to USEPA as a modification of the SIP.

These rules and supporting documentation including a draft of the Business Impact Analysis (BIA) document are available electronically for review at: http://epa.ohio.gov/dapc/regs/regs.aspx. See the information under “Interested Party Review” tab for Ohio’s Ambient Air Quality Rule. We request that you provide us with any comments you may have to the draft rule and draft BIA document by Friday, July 12, 2019.

Please submit your comments or suggestions to the following addresses. Persons submitting comments electronically are encouraged to follow-up with a hard copy via regular mail:
