### Ohio Department of Health **Fluoridation Assistance Program**

Thanks to the generosity of the Delta Dental Foundation, the Ohio Department of Health continues to administer the Fluoridation Assistance Program. This reimbursement program offers limited funds for the start-up and maintenance of community water fluoridation.

Interested communities should submit a letter requesting financial assistance accompanied by detailed quotes/ estimates from suppliers. After review, applicants will receive a letter from the ODH indicating the level and dollar amount of available assistance. Program guidelines and application materials can be accessed at:
