

**Holly Tucker, Deputy Director of Employee Development and Strategic Management
Ohio Environmental Protection Agency**

As deputy director of employee development and strategic management, Holly Tucker coordinates all employee training, as well as overseeing the Lean Ohio program and the Agency's safety program.

Holly has worked at Ohio EPA for more than 20 years with experience in multiple divisions and locations. She most recently served as the chief of Southeast District Office and initially joined the Agency as an environmental specialist in the Division of Surface Water.

Prior to joining Ohio EPA, Holly worked as an environmental consultant. She has a bachelor's degree in zoology with a minor in communications and a master's of science in natural resources with an emphasis in fisheries, both from The Ohio State University.
