

## **Alternative Fuel Vehicle Conversion Grant Program Grants Awarded Through June 29, 2019**

*Since the application period opened on March 20, 2018, Ohio EPA has received 37 complete applications for eligible projects. Ohio EPA has awarded \$5,000,000 in grants to pay a portion of the cost of 258 new heavy duty alternative fuel vehicles, including 76 propane school buses, 2 compressed natural gas (CNG) school buses, 44 CNG transit buses, 107 CNG refuse trucks, 1 propane refuse truck, 2 CNG tractor trucks, 18 LNG tractor trucks and 8 CNG plow/dump trucks. These grants are supported with state dollars from the Alternative Fuel Transportation Fund of the Ohio Developmental Services Agency. All available funds in this program have now been allocated. These grants have leveraged more than \$57 million in new alternative fuel vehicle purchases.*
