2. Respondent is a domestic liability limited company, incorporated in the State of Ohio.

3. Ohio Administrative Code ("OAC") Rule 3745-31-02 requires the Director's issuance of a permit to install ("PTI") prior to the installation of a new "disposal system," as such term is defined in ORC § 6111.01 (G).

4. ORC § 6111.07(A) prohibits any person from violating, or failing to perform, any duty imposed by ORC §§ 6111.01 to 6111.08, or violating any rule adopted by the Director pursuant to those sections, including OAC Rule 3745-31-02.

12. The requested revisions to PTI Application No. 02-13053 were received by Ohio EPA Northeast District Office on August 9, 2002.

14. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with these Orders and to evidence relating to conditions calculated to result from compliance with these Orders, and its relation to the benefits to the people of the State to be derived from such compliance in accomplishing the purposes of ORC Chapter 6111.
