II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 6111. and the rules promulgated thereunder.

IV. FINDINGS

The Director of Ohio EPA has determined the following findings:

1. Respondent is the developer of Town Square Villages at Shannon Road, a multi-family development located in Columbus, Franklin County, Ohio.
2. Ohio Administrative Code (OAC) Rule 3745-31-02 requires the Director's issuance of a permit to install (PTI) prior to the installation of a new "disposal system," as such term is defined in ORC § 6111.01 (G).

3. ORC § 6111.07(A) prohibits any person from violating, or failing to perform, any duty imposed by ORC §§ 6111.01 to 6111.08, or violating any rule adopted by the Director pursuant to those sections, including OAC Rule 3745-31-02.

4. PTI Application No. 01-10455, together with detailed plans, were received at Ohio EPA Central District Office on April 7, 2003, for the installation of a sanitary sewer extension at the Town Square Villages at Shannon Road development.

5. The sanitary sewer extension proposed in the PTI Application No. 01-10455 is a "disposal system," as such term is defined in ORC § 6111.01 (G).

6. On June 4, 2003, Ohio EPA conducted an inspection at the Town Square Villages at Shannon Road development. The inspection confirmed that the installation of the sanitary sewer had been completed prior to the approval of the plans and issuance of a PTI by Ohio EPA.

7. By letter dated June 6, 2003, Respondent was notified via certified mail that the sanitary sewer extension installation was in violation of ORC Chapter 6111 and OAC Chapter 3745-31.

8. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with these Orders and to evidence relating to conditions calculated to result from compliance with these Orders, and its relation to the benefits to the people of the State to be derived from such compliance in accomplishing the purposes of ORC Chapter 6111.

V. ORDERS

1. Respondent shall not install sewerage or treatment works for sewage disposal or new disposal systems, including, but not limited to, sanitary sewers, at any location in Ohio without first receiving prior approval from the Director as required by law. If Ohio EPA does not agree that all obligations have been performed, then Ohio EPA will notify Respondent of the obligations that have not been performed, in which case Respondent shall have an opportunity to address any such deficiencies and seek termination as described above.

The certification shall contain the following attestation: "I certify that the information contained in or accompanying this certification is true, accurate and complete."

This certification shall be submitted by Respondent to Ohio EPA and shall be signed by a responsible official of Respondent.
