

BOB TAFT
GOVERNOR
STATE OF OHIO

September 1, 2006

Bharat Mathur
Acting Regional Administrator
U.S. EPA Region V
77 West Jackson Blvd.
Chicago, Illinois 60604

Dear Mr. Mathur:

In furtherance of Sections 208 and 303(e) of the Clean Water Act, I hereby certify the items listed in the enclosure as updates to the Areawide Waste Treatment Management Plans and the State's Water Quality Management Plan. A CD-disk containing electronic files for all the listed documents is enclosed.

The documents include 208 Plan updates prepared by five of the six Areawide Planning Agencies in Ohio. Ohio EPA prepared the State Water Quality Management Plan and updated 208 Plan content for an additional 42 counties in Ohio.

If you have any questions on this matter, please contact Ohio EPA Director Joe Koncelik at (614) 644-2782.

Sincerely,

A handwritten signature in black ink that reads "Bob Taft".

Bob Taft
Governor

List of Section 208 Plan Materials for Certification - Final 2006

The regional or areawide planning agency listed below has prepared and adopted, pursuant to their bylaws, the Section 208 plan updates described below. Ohio EPA is charged with reviewing these materials to ensure the following:

- ▶ the documents are consistent with basin plans;
- ▶ the documents (original plan and updates) cover the required planning elements; and
- ▶ the documents (plans) are consistent with one another.

Ohio EPA staff concluded the above criteria are satisfied. The following documents have been certified by the State of Ohio as an update to the Areawide Waste Treatment Management Plans prepared pursuant to Section 208 of the Clean Water Act and the State's Water Quality Management Plan maintained pursuant to Section 303 of the Clean Water Act.
